Russ and Christian,

Congratulations on your success with financing in Mexico!

We are pleased to present you with this award for closing the most transactions with GE Mexico in 2005.

This financial product will come as a great benefit to many American citizens and Permanent Resident Aliens with the aspirations of financing a beautiful dream home in an exotic location.

As a result of your efforts in 2005, the numbers of American citizens realizing their dreams has hit new highs, and this comes as a great benefit to all of us.

Thank you for your continued hard work and support. Please accept this award for my appreciation, and congratulations again Russ and Christian for your success in 2005. Keep up the good work!

Thank you again for all your efforts!
